- 30 - 59 minutes = C
- 15 - 29 minutes = D
- less than 15 minutes = F

Practicing your instrument is your band homework. You must fit "at home" practice into your personal and family schedule. If you spend as little as 11 minutes a day, you can earn an A. Have trouble practicing every day? Put in extra time on the weekends. Whatever schedule works for you is OK. All practice times need to be recorded on this sheet with a parent/guardian signature to receive credit.

Please **add** these dates to your family calendar: **Performance is required***
